THE SENIOR CLASS of
WESTERN CAROLINA TEACHERS COLLEGE
CULLOWHEE, NORTH CAROLINA

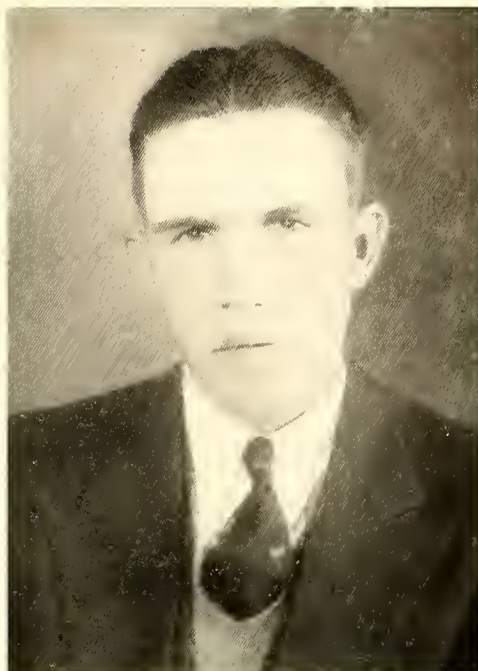

IN MEMORIAM

WITHIN the past year two of our number have left us. Throughout their sojourn in our midst they shared with us the same reverence for the traditions of our college, the same loyal support of her present undertakings, and the same belief in her splendid future. For these departed friends we grieve. To them we dedicate this edition of our annual.

ALBERT ALLISON
DILLSBORO, N. C.

A beloved and worthy member of this, the seventh graduating class of our college.

ANDY BRYSON
CULLOWHEE, N. C.

An honored member of the first graduating class of the college and the one to whom the first diploma was awarded.

PROFESSOR R. L. MADISON, *President Emeritus*

Class of 1937:

WITH love and pride, with bright hopes and best wishes, your alma mater sends you forth into a world calling for increasing numbers of men and women of ability, zeal, and character, who are ready to spend and be spent in the service of God and humanity. Be good, do good, and you will surely "make good."

PRESIDENT H. T. HUNTER

I KNOW of nothing more stimulating and impressive than a group of trained young people, poised and alert, ready to essay a challenging task. Think of the physical reserve, the mental energy, the spiritual power, perhaps the naive faith, which may be brought into play to meet the challenge of a given situation. If America could but harness, release, or make available the stored-up potential energy represented by the youth of this land, there is no estimating the possible accomplishments. Who will give us the key for releasing and making available this power? The gods stand ready to reward the fortunate producer of such a magic key.

H. T. HUNTER.

BASKETBALL

With only one letterman returning from last year, the outlook for a successful team at the beginning of the season was dismal. Coach James soon brightened the picture by developing one of the strongest Catamount teams ever to perform at W. C. T. C. Out of a twenty-five-game schedule, the "Cats" won nineteen and lost six. They scored 988 points against the opposition's 664, which resulted in an average of 39 points each game. With our new gymnasium next year and all the lettermen returning, the Catamounts are going to be hard to stop. The following players received monograms:

BASEBALL

Baseball recruits are showing much interest and a cheerful spirit at the beginning of the last sport season of the year. Coach James has developed a snappy, firey ball club and has proved that many promising players are on hand. The schedule is just getting under way as the Annual goes to the press.

The "Cats" have taken the three games played thus far, and from indications it looks as if a very successful season is to be enjoyed by them. The following players are scheduled to receive letters:
